

## iQ700, Built-in fridge-freezer with freezer at bottom, 212.5 x 75.6 cm, flat hinge CI30BP02

CI30ZSETB2	St. steel doorpanels 30" 2 Door w/o hand
CI60Z000	Installation Kit SxS
CI60Z200	Heating side kit 230V EU Version
CI10Z591	Handles Set (2 pcs) for BM30 IC6 Design
CI30Z201	Stainless steel toe kick 30" for BM30

Premium design built-in fridge-freezer with hyperFresh plus  
-0°C- box and automatic icemaker for outstanding freshness.

- ✓ hyperFresh plus: keeps fruit and vegetables fresher for longer.
- ✓ noFrost – Never defrost your freezer again.
- ✓ Plenty of space for weekly shopping thanks to extra high capacity.
- ✓ Home Connect: Manage your home appliances from wherever you are.
- ✓ superCooling: faster cooling for fresh food.

Energy Efficiency Class: .....	
Average annual energy consumption in kilowatt hour per year (kWh/a): .....	
295 kWh/annum

This prevents an undesirable rise in the temperature of your already chilled food whenever you add food that is not as cold.</li><li>• noFrost: No more defrosting: the noFrost technology.</li><li>• With noFrost, a ventilation system diverts the humidity from the freezer compartment. As a result, the air remains dry. This reliably prevents frost from forming on the inside of the appliance or on your food.</li><li>• superFreezing: Freeze super large quantities super fast: superFreezing.</li><li>• To prevent thawing of frozen foods when placing large quantities of new food in the freezer, simply activate the superFreezing button before going shopping. The appliance will then automatically cool down to a temperature as cold as -30 °C so that newly stored foods do not interrupt the freezing process.</li><li>• "freshSense"</li><li>• Your fridge knows what your food needs: freshSense. Even the slightest changes in temperature, like the sun shining on the fridge freezer, can affect the conditions inside the fridge – and thus the freshness of your food. To prevent this, freshSense measures the temperature on the inside and the outside of the fridge and knows when the surrounding conditions change. As soon as a change is registered, the control system immediately takes countermeasures to ensure your food stays fresh for as long as possible."</li><li>• "safetyGlass shelves: Shatterproof and easy to clean: the safetyGlass shelves.</li><li>• All glass shelves are made from extra strong, easy-to-clean safety glass. If something tips over, the spillage is contained and does not spill into the rest of the refrigerator compartment."</li><li>• "hyperFresh plus"</li><li>• Keeps fruits and vegetables fresh for up to two times longer: hyperFresh plus. A slider lets you adjust the humidity level in the hyperFresh plus drawer to its content. This guarantees an ideal humidity level that preserves flavour, vitamins, and nutrients for longer."</li><li>• "multiAirflow: Ensures even cooling at all levels: the multiAirflow system.</li><li>• The multiAirflow system circulates the air evenly in the refrigerator compartment for constant temperatures. Foods recently placed inside are cooled faster. And the fresh food quality is preserved</li></ul>

better."

- "Telescopic rails: Ergonomically ideal access: fully-retractable drawers on telescopic rails.
- Thanks to the optional accessory of fully retractable drawers on telescopic rails, you can easily pull the drawers out far. This gives you a better overview of all food items and makes them easier to remove."
- "multiAlarm system: Always reliable: the multiAlarm system.
- The multiAlarm system notifies you visually and acoustically when the temperature rises, which can happen for example if the door is left open."
- icemaker: The integrated icemaker makes as many ice cubes as you want, whenever you want them.
- 1 hydrofresh container with telescopic rails.
- 1 vegetable container on rails/vegetable container on rails
- 3 small trays on door

#### **Performance and Consumption**

- EU19\_EEK\_D: E
- Total Volume : 452 l
- Net Fridge Volume : 316 l
- Net Freezer Volume : 136 l
- Net 4\* compartment volume : 136 l
- Freezing capacity 24h : 14 kg
- Annual Energy Consumption: 295 kWh/a
- Climate Class: SN-T
- Noise Level : 42 dB , EU19\_Noise emission class\_D: D
- Temperature rise time : EU19\_Temperature rise time\_D: 13 H
